MEMBER OBLIGATIONS

These include ***carrying out two duties in each season (Winter + Summer)***. Duties involve helping prepare the jetty, opening up the club house, ensuring signing on sheet is completed, helping sailors rig, launch and retrieve dinghies, making refreshments and helping put equipment away before locking up the clubhouse and boat park at the end. All club activities are run by volunteer members, so joining the club involves helping out in some form. There are no paid staff, but the benefits are that the fees represent very good value for money.
